Greenwood

Une propriété de l'Héritage Canadien du Québec / a property of Canadian Heritage of Quebec

Fall 2019

Dear Greenwood Friends.

With the onset of autumn, it is my pleasure to report on the busy and successful 23rd season of the Greenwood Centre for Living History.

This year's theme, *A Stitch in Time*, opened to resounding success in early June and the season continued in the same vein. The numbers of visitors showed a steady increase in people from the wider Vaudreuil-Soulanges area, the West Island, as well as visitors from Eastern Ontario.

Our ability to reach a broader audience shows the dedication of our volunteer team comprised of members of long standing, as well as those new to the team who have been attracted by the history and beauty of historic Greenwood.

On behalf of the Board of Directors, I also want to thank you, our valued members, for your continued support in our mission to ensure that Greenwood continues to uncover all that is still to be discovered in this unique heritage house and property. Your attendance at our marquee events, visits to the house with your friends and families and talking with acquaintances about Greenwood, make a big difference to the life of this important segment of Quebec and Canada's story.

Finally, I would encourage you to renew your annual membership. Greenwood counts on your continued generosity and support that allow us to develop annual themes that showcase this wonderful heritage house.

I look forward to seeing you at the annual Christmas celebrations, which usher in the magical time at the end of each year.

Warmest wishes to all!
